Album: Eye Candy (2003)

[Verse 1]

Ooh, take a walk in the park under the stars
Baby take my hand the night is ours
I never knew what loving you could do
I'm feeling like I wanna follow through

[Bridge]

You look into my eyes and
You make my temperature rise and
You keep me fantasising baby

[Chorus A]

You can take me home tonight
I'm not making promises
Don't make it more than what it is
You can take me home tonight
Take it slow boy we can chill
And if I'm feeling it I will

[Chorus B]

Maybe, would you let a thug give you a hug
Maybe maybe stroke your back till you fall in love
Maybe, If it's cool can I kiss you please
Maybe, love you down till we fall asleep

[Verse 2]

Ooh, now you got me where you want me to be
BUT I won't give in too easily
I look at you and I can't help my self
My mind says wait my body's saying yes

Bridge

Chorus A

Chorus B

My hearts racing, my body's aching
From dreams of making love all night

It won't take much, I'm weak one touch
Just might do this, if it's wrong or it's right
Chorus A Chorus B Chorus A to fade
