So, so, so scandalous  
You know you wanna sing with us (baby)  
That's why you know you should be scared of us (baby)

Non stop looks to kill  
Straight talk sex appeal  
One touch gives me chills and we ain't even close yet  
Rough neck all around  
Inking all over town  
Show me how you get down  
Cos we ain't even close yet

You got me feening and you got me feeling weak  
Listen as I speak cos I'm careful as I creep  
You got me going crazy and you know I can't sleep  
No fortune your moves and you hypnotise me  
You got me trembling like a little baby girl  
You're so special, you're like diamonds and pearls  
You got me spinning and you got me in a twirl  
You're my number one baby and you come to rock my  
world

You're dangerous  
Just get it up  
The way you move so scandalous  
It's all about the two of us  
A one night stand just ain't enough  
I need some stimulation baby  
A little conversation maybe  
You got me spinning out like crazy  
There goes my baby

Scandalous (baby)  
So scandalous (baby)  
Scandalous (baby)  
So, so, so scandalous

Hot stuff, head to toe  
Where you go, no one knows  
You smile playing the dough and we ain't even close  
yet

Solid as a rock  
How many ways can you hit the spot?  
Show me what you got 'cos we ain't even close yet

You got me feening and you got me feeling weak  
Listen as I speak cos I'm careful as I creep  
You got me going crazy and you know I can't sleep  
No fortune your moves and you hypnotise me  
You got me trembling like a little baby girl  
You're so special, you're like diamonds and pearls  
You got me spinning and you got me in a twirl  
You're my number one baby and you come to
