We've always been so close together
Doing things that only best friends do
Always there for one another
Through the bad times and the good
The other night you held me close, need to know
Did we just cross the line
This other side just feels so right
Won't you tell me why

Chrous:

Why, why, why do friends to lovers take so long
Now that we come around you finally found a love
forever strong
Why, why, why were you so near but yet so far
How could i be so blind when all the time I was in your
heart

la la la la la la la, la la la la la la la
la la la la la la la, la la la la la la la

For so long i've been searching
For the love that I can call my own
Now I know I was only wating
For the face i've always known
I believe what Heaven is just like this every time we kiss
And deep inside i feel so high
Won't you tell me why

Chrous:

Why, why, why do friends to lovers take so long
Now that we come around you finally found a love
forever strong
Why, why, why were you so near but yet so far
How could i be so blind when all the time I was in your
heart

When I stop and think about it
However could i live without your
Warm and gentle touch I needed so much

Chrous:

Why, why, why do friends to lovers take so long
Now that we come around you finally found a love
forever strong
Why, why, why were you so near but yet so far
How could i be so blind when all the time I was in your
heart

Why, why, why do friends to lovers take so long
Now that we come around you finally found a love
forever strong
Why, why, why were you so near but yet so far
How could i be so blind when all the time I was in your
heart

la la la la la la la, la la la la la la la (to fade)
