I try to walk  
though tempted to run  
I'm taking time  
when nothing can be done

It's always hard  
when you are scared to fall  
It can be hard  
when you don't know at all

So I lay low  
even though tonight I miss you  
And I'll let go  
of waiting on you  
Cause tonight if I just lay  
tomorrow will be a new day  
So I lay low  
because you asked me to

I won't second guess  
though I might crash and burn  
But nevertheless  
I just might make the turn  
It's always hard  
when you are scared to fall  
It can be hard  
when you don't know at all

So I lay low  
even though tonight I miss you  
And I'll let go  
of waiting on you  
Cause tonight if I just lay  
tomorrow will be a new day  
So I lay low  
because you asked me to

Cause tonight if I just lay  
tomorrow will be a new day  
So I lay low  
because you asked me to
