Album: Little Deeper

[Verse One:]

I don't wanna be the one to turn and walk away.
I still feel u in my heart but i just can't stay.
I ain't nobody's fool, I know just what I'm worth .
I know what I want, What I need, What I feel that i
deserve.
You said you wanna be someone,
Said you wanna get out the game.
And I'm hearin' all your talk but I ain't seein' no change.
You say you wanna grow wit' me and uplift each others
minds.
But baby all you're showing me is you wasting your
time.

[Chorus:]

I just gotta let you know,
I don't want nobody else.
I just wanna see you grow.
But I can't help if you won't help yourself.
I just gotta let you know,
I don't want nobody else,
I just gotta let you go,
Cos I can't help if you want help yourself.

[Verse Two:]

I have always told you that I'm happy being second
best,
To your baby girl but I ain't havin' your baby mumma's
stress.
Her childness,
Her intent is obvious.
And nigga the way you deal with her,
You're fooling with my trust.

Now boy it's really killing me,
You don't have to say a word.

I see the sorrow in your eyes,
And in my soul I feel your hurt.
I'm guessin' it's your pride that keeps your pain so
deep inside,
But it's stressin' questionin' how you feel and why you
hide.

[Chorus]
