

Triumph "24 Hours a Day"

Visit "[24 Hours a Day](#)" on MotoLyrics.com

I tell you sweetly now
Why I can't come to bed
I'm listening to the music
That's playing in my head

While you're filled with sleepy dreams
I'm moving to the sounds
The beat keeps driving in my brain
And the words go round and round

I see myself upon the stage
And holding my guitar
And I can't tell if it's Carnegie hall
Or just some local bar

But the hands are clapping
And the place is moving and I feel it in my soul
It's late at night and I can't sleep
I gotta write some rock 'n' roll

It drives me crazy
About twenty-four hours a day
It's bouncing all around in my brain
And I've just got to play

Well, the world outside is quiet
And the children are fast asleep
But here inside I'm rockin' 'n' rollin'
To a crazy beat

So come on, come on, come on, come on
Come on boys, let's play
Yeah, we're gotta do it, do it, do it
Twenty four hours a day

Everybody party
Twenty-four hours a day
Everybody party
Listen baby, what I say

Everybody party
Twenty-four hours a day

Everybody party
Party, party every day

Baby, let me tell you sweetly
Why I can't come to bed
I'm listening to the music
Playing in my head

While you're filled with sleepy dreams
I'm moving to the sounds
The beat keeps driving in the back of my brain
And the music goes round and round

So come on, come on, come on, come on
Come on boys, let's play
Yeah, we're gotta do it, do it, do it
A twenty four hours a day

Everybody party
Twenty-four hours a day
Everybody party
Listen baby, what I say

Everybody party
Twenty-four hours a day
Everybody party
Party, party every day

Everybody party
Twenty-four hours a day
Everybody party
Come on boys, let's play

Everybody party
Twenty-four hours a day
Everybody party
Party, party every day

Everybody party
Twenty-four hours a day
Everybody party
Party, party every day

Everybody party
Listen baby, what I say
Everybody party
Twenty-four hours a day

Everybody party
Twenty-four, twenty-four
Everybody party

Twenty-four hours a day

Everybody party

Twenty-four hours a day
