I've got something on my mind  
I want you to know  
Rock troops are on the move  
It's startin' to show

Paratroopers are on the move  
Can't you see  
Strategic weapons  
Are something we don't need

Allied forces in every nation  
Allied forces gonna take control  
Allied forces of my generation  
Allied forces of rock 'n' roll

Youth culture in overdrive  
Mass frustration  
Too much, too little, too late  
Class alienation

Denim armies working  
Consolidate the might  
War games, maneuvers  
Rehearsals in the night

Allied forces in every nation  
Allied forces gonna take control  
Allied forces of my generation  
Allied forces of rock 'n' roll

I've got something on my mind  
I want you to know  
Rock troops are on the move  
It's startin? to show

Paratroopers everywhere  
Are ready to fight  
We're mobile allies  
Marchin' every night

Allied forces in every nation  
Allied forces gonna take control

Allied forces of my generation  
Allied forces of rock 'n' roll
