People say  
Don't ever look behind  
Happiness is just a state of mind  
Rock and roll lives and breathes in the hearts of the  
young

So carry on  
You're runnin' on borrowed time  
Tryin' hard to survive  
Keep on runnin'  
Your time [Incomprehensible]  
Keep your dreams alive

Follow your heart  
(You got to follow your heart)  
Living for the day, forget about tomorrow  
Follow your heart  
(You got to follow your heart)  
Any other way can only lead to sorrow  
Don't wait any longer  
Follow your heart

Plays for keeps  
And try to never lose  
Live it fast but live the life you choose  
Rock and roll lives and breathes in the hearts of the  
young

So let it ride  
Each time you roll the dice  
Luck will finally arrive  
Keep on runnin'  
Your time [Incomprehensible]  
Keep your dreams alive

Follow your heart  
(You got to follow your heart)  
Living for the day, forget about tomorrow  
Follow your heart  
(You got to follow your heart)  
Any other way can only lead to sorrow  
Yes I know

You got to let it go

Oh, listen to the rhythm  
Your heart won't lie  
Rock and roll hearts  
Just never die, never die

Follow your heart  
(You got to follow your heart)  
Living for the day, forget about tomorrow  
Follow your heart  
(You got to follow your heart)  
Any other way can only lead to sorrow

Follow your heart  
(It's all rock and roll)  
Follow your heart  
(Well, it's never gonna die, never die, never gonna die)

Follow your heart  
(You got to follow your heart)  
In any other way, any other way tomorrow  
Follow your heart  
(You got to follow your heart)  
In any other way to survive  
Follow your heart  
(You got to follow your heart)
