Is it fate or random chance, how can I decide
Are we victims of circumstance when destinies collide
All the odds are against you
But somehow you make it through
You can rationalize it away, but it all comes down to you
Half our lives we spend waiting for the knock upon the
door
When it comes, will it be the one that I've been waiting
for

Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone, someday

Standing in the shadows hiding from the light
Reach out in the darkness and hold on for your life
All the fear of the future, all the loneliness inside
When the moment of truth arrives, hey
You can run but you can't hide

Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone, someday

I can feel it inside me, I've been holding on so long
Something's tellin' me something's got to give
'Cause the feeling's way too strong, too strong

Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will make them mine

Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone, someday

Somebody's out there, somewhere, someday

Somebody's out there, somewhere, someday
Somebody's out there, somewhere
I will make them mine
