We passed the point of no return  
How can we make amends?  
All alone, I watch the candle burn  
Burnin' at both ends  
Nothin's ever gonna change  
Can tears wash away this pain?

Tears in the rain  
Here it comes again  
I'll never know the reason why  
I cry these tears in the rain

The time has come to make a stand  
We've waited much too long  
Nobody's gonna lead us by the hand  
How could we be so wrong?  
We lost the chance to play this game  
Tears wash away this pain

Tears in the rain  
Here it comes again  
I'll never know the reason why  
I cry these tears in the rain

So many times, I've wondered why  
We still play this game

Tears in the rain  
Here it comes again  
I'll never know the reason why  
I cry these tears in the rain

Tears in the rain  
Here it comes again  
Oh, I'll never know the reason why  
I cry these tears in the rain

Tears in the rain  
Tears in the rain  
Tears in the rain  
Tears in the rain
