Get outta here, leave me alone  
She slammed the door right on my face  
I know I was a little late but  
I can't communicate if romance is a race

So I knocked again an' marched on in  
Said, "Baby, let me state my case  
Lovers can be cruel but I don't wanna  
Why must you act like a Prima Donna?"

She's a woman in love  
She's a woman in love  
This messin' around is bringing me down  
With my woman in love

You say I'm crazy, no good and lazy  
But you keep comin' back for more  
If you're after money, then back off, honey  
I've been down that route before

So take it or leave it, but baby, don't tease it  
Your games are such a bore  
I don't understand your philosophy  
Why must our love be a tragedy?

She's a woman in love  
She's a woman in love  
Woman in love  
I don't know which way to turn, baby

She's a woman in love  
Ooh, woman in love  
But I just don't know what I got to do  
With my woman in love, makin' me crazy

Will you understand  
What it means to be a man?  
Although I seem cruel  
I'm tryin' the best I can

Sometimes you treat me so low-down dirty

She's my woman in love  
Ooh, woman in love  
Woman in love  
Don't you know you just kinda messin' me around, baby

She's my woman in love  
Woman in love  
This messin' around is bringing me down  
With my woman in love

With my woman in love  
Yeah, woman in love  
Woah, woah, woah, woah  
Yeah, she's making me crazy  
Woman in love  
Yeah, woman in love
