Morning, Noon, and Night we yell

Trying very hard to sell

Mr. Bennett's morning Herald, Mr. Pulitzer's morning
World

Extra!

Extra!

Every day the same old grind

Getting worse because we find

That it's hard to sell the Herald, while it's easy to sell
the World

3 Newsboys:

That isn't good for Mr. Bennett, so it's driving him nuts

Other 3:

And the result is Mr. Bennett hates Mr. Pulitzer's guts

All 6:

They're a-feudin' and a-fussin' and a-fussin' and a-
feudin' and it don't seem to make much sense

Mr. Bennett's usin' the kind of words that we wouldn't
write on a fence

Extra!

Extra!

Who will in is hard to tell

In the meantime we must sell

Mr. Bennett's morning Herald, Mr. Pulitzer's morning
World

Readers (yelling, the World is the more popular):

Give me a World! Give me a World! Give me a Herald!

Give me a World! Give me a World! Give me a Herald!

Newsboys:

Extra!

Herald Readers:

I like the Herald filled with stock market news

Smart social items and conservative views

It's quite amazing how we always agree!

I'm for the Herald 'cause the Herald's for me!

World Readers:

Couldn't eat a meal without the World

That's the way we feel about the World

It's the people's paper, yes indeed

With the kind of news we like to read

Circulation bigger every day,

'Spite of what the other papers say!

'Spite of accusations that are hurled

Never was a paper like the World

Herald and World Readers Simultaneously:

Couldn't eat a meal without the World

That's the way we feel about the World

It's the people's paper, yes indeed

With the kind of news we like to read

Circulation bigger every day,
'Spite of what the other papers say!
'Spite of accusations that are hurled
Never was a paper like the World
(I like the Herald filled with stock market news
Smart social items and conservative views
It's quite amazing how we always agree!
I'm for the Herald 'cause the Herald's for me!)

All:
Extra!
Extra!
Soon they'll/we'll all be getting hell
Just because they/we couldn't sell
Mr. Bennett's morning Herald,
And they're/our be imperiled when he hears how many
they/we sold of Mr.
Pulitzer's morning World
