Uh-huh, uh-huh, yeah  
You'll never change

I don't like the way that you treated me  
I know I've been misused  
You always would take me for granted  
Somehow I always lose

The love that we had together  
You still mean something, oh, baby  
But now that time has been changin'  
Your feelings have disappeared

There's no way  
We'll make it together, (My darling, my darling)  
Times have changed  
We can't last forever  
You won't change

You'll never change  
I'm never happy, I'm never happy  
Oh, baby, change  
You'll never change, I just know that you'll stay the  
same

Uh-huh, uh-huh, yeah  
You'll never change

You come and you go as you please  
But I am always here  
It took me awhile to admit it  
My life with you is a nightmare

I feel like a day without sunshine  
I'm never happy, I'm never happy  
You walk around with my feelings  
Can't you see you're love's the truth

There's no way  
We'll make it together, (My darling, my darling)  
Times have changed

We can't last forever  
You won't change

You'll never change  
Ooh, I'm so hurt, I'm filled with tears  
Oh, baby, change  
You made me a fool all of those years

Now I've awakened  
I'm no fool and I'm out to prove  
I don't need you messin' my life  
Without the drive you got no juice

(No juice)  
And baby, you've got no pull

Uh-huh, uh-huh, yeah  
Ah, ooh, you  
And you won't change

You'll never change  
I'm never happy, I'm never happy  
Oh, baby, change  
You're knockin' at my door and you'll never come

Ah, ooh, you

There's no way  
Baby, I need you  
But don't you put me through no changes

You'll never change
