Some kind of dead end job.

Everything you thought you had,

Has gone from worse to bad.

Lean to the side, whisper it quiet,

The end is sight,

Workin', all night around the clock.

Everything you thought you had,

Has gone from worse to bad.

(Chorus)

But it's not, my kinda scene, oh yeah.

Footprints on the other side.

Remind, me where I've been, oh yeah.

I'll watch from the other side.

Tell me where I'm, supposed to begin.

I'm not the wife, workin',

Some kind of dead end job.

Everything you thought you had,

Has gone from worse to bad.

So I'll just wait and watch the mist,

While you're turning back.

(Chorus)

Holds me over, and it drags me under(x2)

Where I'm, supposed to begin.

I'm not the wife workin',

Some kind of dead end job.

Alright, I'm alright(x2)

(Chorus til fade)
