job done wanna have
gonna call my girls
gonna get my hair done
so i dress tight with my heels high
and i think about the moves i'm a pull tonight

when i roll up out front
guys looking over like they want some
make way, sexy
for me and my ladies

(chorus)
hear the sound of the dj playing our jam
glass down, grab a man
move to the floor its time to get down
ding ding, first round
hand on my hips as we start to dip
close range, full clip
temptations, sensations, vibrations
my one night stand

act wild, but i got style
coz i aint sipping if it aint cristal
high class, nice ass
spend your money but i got my own cash

good vibes, so right
thankyou for the dance tonight
feel free, baby
keep looking coz u cant have me

(chorus)

get up get up its a one night stand
here i come again with my rhyiming slang, ride to the
rhythm as i flip this sound, flip this sound we're gonna
move around, missteeq we're coming back again, love
of the music inside your membrane, i'm gonna burn
you with my lyrical flame, lets start the game, come
follow me its time to play, breakdown,

now dont you go and get the wrong impression,
its just a dance i'm with my girl friends hanging out
to mislead you wasn't my intension
nothing more to say

(chorus)
