"A Gunshot To The Head"

You starve your children on neglect
Then feed their bellies with fear (bellies with fear)
Concussion bat to the brain

Witness to a battered mother (battered mother)

[Chorus]

Your abuse will end right here

No longer will your family fear (no longer will your
family fear)

A Gunshot to the head of trepidation (head of
trepidation)

My promise if you ever lay a finger

Just look at the scars you make

Your terror makes your kids break (make you kids
break)

A broken home just as you were raised

With fist raised up to your children

[Chorus]

Your abuse will end right here

No longer will your family fear

A Gunshot to the head of trepidation

My promise if you ever lay a finger

This battle is on all

You've made beautiful Now hateful

You wretched life wrecker

Abuser

Now suffer

Open fire

On the desire of the man

Open fire

With strife we'll strike down the hand (open fire,
build the pyre)

If i can't make you see the damage you've made (open
fire, build the pyre)

I'll make you wish you'd never been alive

SOLO:Beaulieu SOLO:Heafy DUAL:Beaulieu DUAL:Heafy

Open fire

On the desire of the man

Open fire
With strife we'll strike down the hand
Open fire
On the desire of the man
Open fire
With strife we'll strike down the hand
(open fire, build the pyre)
If i can't make you see the damage you've made(open
fire, build the pyre)
I'll make you wish you'd never been alive
