## "Failing To Grey"

Visit "[Failing To Grey](#)" on [MotoLyrics.com](http://MotoLyrics.com)

In this day, aspirations star decayed,  
It was the light of our desires,

A fire burns, in the mind,  
Torching once fundamental truths,

Downfall,  
downfall,  
Self loathing, it's your state of mind,  
Drowning in dejection,

Homicidal, of your talents,  
It's mental suicide,  
Downfall,  
downfall,  
downfall,  
downfall,

One by one they all drown,  
Down the path I can't hear,

To feel this pain with you,  
To feel this pain with you,  
To feel this pain I'm falling to grey,  
To feel this pain with you,

Buried dreams, will wither dry,  
Sorrow is your guide,

You haven't the will, to carry on,  
You'll feel better when you're gone,

Downfall,  
downfall,  
downfall,  
downfall,

One by one they all drown,  
Down the path I can't hear,

To feel this pain with you,  
To feel this pain with you,

To feel this pain I'm falling to grey,  
To feel this pain with you

If I may, realign the scriptures,  
For fallacy's decay,

Reclamation, of the spirit,  
First step in taking back your life,

Downfall,  
downfall,  
downfall,  
downfall,

One by one they all drown,  
Down the path I can't hear,

To feel this pain with you,  
To feel this pain with you,  
To feel this pain I'm falling to grey,  
To feel this pain with you.
