In time you'll realize  
That life is but a mold  
To be one with the seas  
Is to fly on broken wings  
Craft it to how you see fit  
Recognize powers you hold  
To be one with the seas  
Is to fly on broken wings  
I swear by the blood I have shed  
(Chorus)  
In this battle I still stand opposing  
Burning away conformities shackles  
To rely on the hand that still feeds you  
Suffocates all that you could have been  
To achieve the victory  
Is to set yourselves free  
To be one with the seas  
Is to fly on broken wings  
I swear by the blood I have shed  
(Chorus)  
Burning Burning  
Faster Faster  
Are your revolutionists  
If I could collapse the masses  
We'd be free to grow our wings  
In time you'll realize  
That life is but a mold  
To be one with the seas  
Is to fly on broken wings  
I swear by the blood I have shed  
(Chorus) x2  
To set yourself free
