Do I end this all for the world to see (In waves, In waves)  
DO I take everybody else down (Every body else down)  
Everybody else down with me

IN WAVES (4x's)

Do I end this all for the world to see (In waves, In waves)  
DO I take everybody else down (Every body else down)  
Everybody else down with me

I know that death approaches fast (In waves, In waves)  
What's the purpose if this life won't last (what's the purpose)  
Pulling everyone down with me

(Perpetually) Perpetually we're igniting in waves  
(Excessively) Excessively we're sinking in flames

(Perpetually) Perpetually we're igniting in waves  
(Excessively) Excessively we're sinking in flames

IN WAVES (4x's)

Do I end this all for the world to see (see, see)  
DO I take everybody else down (down, down),  
Everybody else down with me

I know that death approaches fast  
What's the purpose if this life won't last (what's the purpose)  
Pulling everyone down with me

Do I end this all for the world to see (In waves, In waves)  
DO I take everybody else down (Every body else down)  
Everybody else down with me

I know that death approaches fast (In waves, In waves)  
What's the purpose if this life won't last (what's the purpose)

Pulling everyone down with me

Pulling everyone down with me

IN WAVES

Pulling everyone down with me
