Won't you come into my room, I wanna show you all my wares?

I just want to see your blood, I just want to stand and

See the blood begin to flow as it falls upon the floor Iron Maiden can't be fought, Iron Maiden can't be sought

Oh well, wherever, wherever you are Iron Maiden's gonna get you no matter how far See the blood flow, watching it shed up above my head Iron Maiden wants you for dead

Won't you come into my room, I wanna show you all my wares?

I just want to see your blood, I just want to stand and

See the blood begin to flow as it falls upon the floor Iron Maiden can't be fought, Iron Maiden can't be sought

Oh well, wherever, wherever you are Iron Maiden's gonna get you no matter how far See the blood flow, watching it shed up above my head Iron Maiden wants you for dead

Won't you come into my room, I wanna show you all my wares?

I just want to see your blood, I just want to stand and

See the blood begin to flow as it falls upon the floor Iron Maiden can't be fought, Iron Maiden can't be sought

Oh well, wherever, wherever you are Iron Maiden's gonna get you no matter how far See the blood flow, watching it shed up above my head Iron Maiden wants you for dead
