

Trivium "Like Light To Flies"

Visit "[Like Light To Flies](#)" on MotoLyrics.com

Behold our beloved revels in tragedy(in tragedy)
Self-denying avarice for bloodshed
Behold hypocrite

Those who run will be burned X4

Devoutly wished for blinded eyes
This tragedy's like light to flies
It seems to suit you better bleeding out the
eyes(bleeding out the eyes)
Hope's left in chain suspension,
Holding onto lies to make the truth

Behold our beloved revels in tragedy(in tragedy)
Self-denying avarice for bloodshed
Behold hypocrite

Those who run will be burned X4

Devoutly wished for blinded eyes
This tragedy's like light to flies
It seems to suit you better bleeding out the
eyes(bleeding out the eyes)
Hope's left in chain suspension,
Holding onto lies to make the truth

SOLO: Beaulieu

SOLO: Heafy

Devoutly wished for blinded eyes
This tragedy's like light to flies
It seems to suit you better bleeding out the
eyes(bleeding out the eyes)
Hope's left in chain suspension,
Holding onto lies to make the truth
It seems to suit you better bleeding out the
eyes(bleeding out the eyes)
Hope's left in chain suspension,
Holding onto lies to make the truth
