Behold our beloved revels
In tragedy (in tragedy)
Self-denying abhorrence for bloodshed
Behold hypocrite

Those who run will be burned
Those who run will be burned
Those who run will be burned
Those who run will be burned

Devoutly wished for blinded eyes
This tragedy's like light to the flies
This seems to suit you better
Bleeding out the eyes (bleeding out the eyes)
Hope's left in chain suspension
Holding onto lies, to make the truth

Behold our beloved revels
In tragedy (in tragedy)
Self-denying abhorrence for bloodshed
Behold hypocrite

Those who run will be burned
Those who run will be burned
Those who run will be burned
Those who run will be burned

Devoutly wished for blinded eyes
This tragedy's like light to the flies
This seems to suit you better
Bleeding out the eyes (bleeding out the eyes)
Hope's left in chain suspension
Holding onto lies, to make the truth

(Guitar Solo)

Devoutly wished for blinded eyes

Bleeding out the eyes (bleeding out the eyes)
Hope's left in chain suspension

Holding onto lies, to make the truth

This seems to suit you better

Bleeding out the eyes (bleeding out the eyes)

Hope's left in chain suspension

Holding onto lies, to make the truth.
