You were the one
Who always made me feel so special
And the one that never let me go
Till you got your thrill

But now it's changed and it seems
That your lookin' for love in someone new
Could it be that all I gave
Was not enough for you

Your love was all I ever had
But I didn't cry for you, you
You'll never see me cryin'
No, you'll never see me cry

You told me lies
As if I was some kind of fool
That's the way my heart was broke
By the pain - you put me through

Your love was all I ever had
But I didn't cry for you, you
You'll never see me cryin'
No, you'll never see me cry

No, you'll never see me cryin'
No, you'll never see me cryin'
No, you'll never see me cry

Your love was all that I ever had
But I didn't cry for you, you

Tears keep falling like rain

I hear the thunder
Feel the pain
And I may never be the same
But, You,
You'll never see me cryin'

No, you'll never see me cryin'

No, you'll never see me cryin'
No, you'll never see me cry
