Vers 1:

The rain on my skin.
The fire in my eyes.
It says you love me.
The feeling I desire.
Waiting for the fire.
It says you care.

Refr  ng:

But I'm still falling asleep.
Falling asleep in the dark.
Without you...
You're in the park.
Waiting for love.
While I am falling asleep.

Vers 2:

The ice on the sea.
Says you'll catch me.
The morning light.
Says you love me.
In the light I will dream.
Dream of you.
Refr  ng.

Stick:

A lightened fire.
I see in the horizon.
You are there too.
See my confession.
Of life...
Refr  ng
