Don't ever let me go.
Don't ever let me fall away behind.
You are my strength.
The reason why I live.
You are this wonderful man.

Chorus:
This foreign man you are.
The beauty is so clear on you.
I'm falling for you.
The foreign man.
I'm falling for you.

Don't teach me how.
No don't tell me why I stand here.
On higher ground.
On one safe ground.
You are this beauty I see.

ChorusX2

Let the eagles fly.
Let me touch the sky.
So I can be with you.
You, foreign man.
Foreign man.
