I know it's hard to do this.
But it's something we must.
I don't care if you and I never see each other again.
Because that's hard to do.

GOODBYE MY FRIEND.
GOODBYE MY LOVER AND MY DARLING.
GOODBYE.

I know I'm not good at this.
But it's something I must.
I don't care if you lie to me about your other boys.
Because it's hard to say:

GOODBYE MY FRIEND.
GOODBYE MY LOVER AND MY DARLING.
GOODBYE.

Yeah it's hard to tell you goodbye.
I know because I've done this before.
And I know it's hard to do.
I know... cause I've been there.

GOODBYE MY FRIEND.
GOODBYE MY LOVER AND MY DARLING.
GOODBYE.

Goodbye my friend.
Goodbye my lover and my darling.
Goobye my friend.
Please never let me say.
Goodbye to you.
