Vers 1:

She had a name so pretty and great.

Joanna.

Her power and glory was so nice.

Joanna.

I never saw the goodlooking woman.

But she always saw me.

RefrÃng:

Joanna.

Joanna.

You are the best friend of mine.

Joanna.

Joanna.

You can never go away from me.

Vers 2:

She was a caring wonderful girl.

Not foolish at all.

Her graciousness and power.

She was just Joanna.

RefrÃng.

Stick:

She was Joanna.

A girl named Joanna.

Now she's gone.

Gone from us.

Where she is I don't know.

But I just want to.

Joanna.

We love you.

RefrÃng.
