Vers 1:

I thought you mislead me.  
But now I know you didn't.  
And you won't.

Vers 2:

You took my heart in your hand.  
And put a soft ball in it.  
And your love is strong,  
Refr  ng:  
So I was mistaken.  
Mistaken by you.  
Sorry, I'm sorry for that.

Vers 3:

I look and you lead.  
You speak and I don't.  
And I won't.

Vers 4:

You are the one.  
And I'm not.  
But I will be.

Refr  ng.

Stick:

How many times can I say you are mine?  
How many times can I tell you?  
That I love you...

Refr  ng
