Father, You are my God.
My everlasting life.
God, You're my soul's desire.
You're all my life is for.

My everything You are.
You're my power and strength.
You are my soul's desire.
The one I adore.

Father I will worship You.
Forever all my days.
God, You are my soul's desire.
The meaning of my life.

My everything You are.
You're my power and strength.
You are my soul's desire.
The one I adore.

I love You Jesus Christ.
You are the Lord alone.
My faith is strong.
Forever more.
Until my dying day.
Then I know.

My everything You are.
You're my power and strength.
You are my soul's desire.
The one I adore.
