There is a time when we fail.
It is nothing we can do about that.
But we can try and make it good again.

There is a day when we all cry.
It's something we can do about that.
But why do we cry? Why do we cry?

THERE IS NO DOUBT.
IT'S GONNA RAIN TODAY,
IT'S GONNA BE LONGER AND LONGER DAYS TODAY.
THERE IS NO DOUBT.
I WILL ALWAYS LOVE YOU.
I DREAM ABOUT YOU.
THERE IS NO DOUBT IT'S GONNA BE US.

There is a reason why we are here.
Today it is something we have to tell.
But what it is I don't really know.

There is nothing we can do about this.
A fire burning from my heart I will cry.
There is a reason why. A reason why.

THERE IS NO DOUBT.
IT'S GONNA RAIN TODAY,
IT'S GONNA BE LONGER AND LONGER DAYS TODAY.
THERE IS NO DOUBT.
I WILL ALWAYS LOVE YOU.
I DREAM ABOUT YOU.
THERE IS NO DOUBT IT'S GONNA BE US.

It's you and me tonight.
And forever.
You and I can be nothing more than friends.
But I love you.
Yeah I love you more.

THERE IS NO DOUBT.
IT'S GONNA RAIN TODAY,
IT'S GONNA BE LONGER AND LONGER DAYS TODAY.

THERE IS NO DOUBT.
I WILL ALWAYS LOVE YOU.
I DREAM ABOUT YOU.
THERE IS NO DOUBT IT'S GONNA BE US.

There is no doubt.
It's gonna rain today.
It's gonna be longer and longer days today.
There is no doubt.
I will always love you.
I dream about you.
There is no doubt it's gonna be us.

There is no doubt it's gonna be us.
