Vers 1:

You said I was the girl you loved.
But I can't see why.
I know I'm not a special one.
But you said I was the one for you.
But even then I can't see why.

Refr  ng:

But I'm still shining on you.
Shining on you.
Shining on you.
Yes, I'm still shining on you.
Shining on you.
My love.

Vers 2:

You said I wasn't a foolish girl.
But I can't understand your word.
I'm not a special lady.
But you said I was the one for you.
But even then I can't see why.

Refr  ng

Stick:

You are the nice man.
The person that I love.
I'm shining on you.
Shining on you.

Refr  ng.
