I know there's something goin' on here.
I really wanna know what it is.
I feel like life is gonna end here.
My love, please hold me in your arms.

I LEFT MY WORDS UNSPOKEN.
I'D NEVER DONE THAT BEFORE.
I'LL ALWAYS TALK WHATEVER IT TAKES.
BUT NOW MY WORDS ARE UNSPOKEN.

I know I never do this again my darling.
I feel it in my heart that it was wrong.
I feel like the earth could turn over now.
My love, please hold me tighter to your heart.

I LEFT MY WORDS UNSPOKEN.
I'D NEVER DONE THAT BEFORE.
I'LL ALWAYS TALK WHATEVER IT TAKES.
BUT NOW MY WORDS ARE UNSPOKEN.

Baby don't say you're sorry.
It's me who is crazy for love.
And I don't wanna be all alone.
But I left my words unspoken.

I LEFT MY WORDS UNSPOKEN.
I'D NEVER DONE THAT BEFORE.
I'LL ALWAYS TALK WHATEVER IT TAKES.
BUT NOW MY WORDS ARE UNSPOKEN.

I left my words unspoken.
I'd never done that before.
I'll always talk whatever it takes.
But now my words are unspoken!

Yeah, my words are actually unspoken yet.
