Now I hold somebody else in my arms.
It feels okay but not the same.
I feel the sunshine shining in my window.
And it's open and it shines into me.

NOW I WANT YA BACK FOR GOOD.
I WANT YA BACK FOR GOOD.
YEAH I WANT YA BACK FOR GOOD.
FOREVER MORE.

Now I hold you in my arms again.
It feels so right to hold you close.
I feel the difference between you and him.
And my arms are more open now.

NOW I WANT YA BACK FOR GOOD.
I WANT YA BACK FOR GOOD.
YEAH I WANT YA BACK FOR GOOD.
FOREVER MORE.

I want ya...
I want ya...
I want ya back for good.
I want ya.
I want ya.
I want ya back for good.

NOW I WANT YA BACK FOR GOOD.
I WANT YA BACK FOR GOOD.
YEAH I WANT YA BACK FOR GOOD.
FOREVER MORE.

Now I want ya back for good.
I want ya back for good.
Yeah I want ya back for good.
Forever more.

Forever more.
