If I'd leave.
And you stay.
How would it be?

If I'd stay.
And you leave.
How could that be?

Chorus:
But now you know you can't go back.
It's too late to think of that.
You can't go back, no you can't go back.
So hold me close to you.
Cause you can't go back.

If I'd stay.
And you leave.
How would life be?

If I'd leave.
And you stay.
How could life be?

Chorus

When you come back to me.
I feel your arms around me.
Stay, stay, stay with me.

Chorus
