Well, hey hey baby, tell me what's your name?
From the way you look and the way you dress
I can tell you ain't got no shame
And that's alright 'cause I'm just a man

Say you're from the city, it all moves so fast
Got your fancy cars and your diamond rings
You need a love to last
And that's alright, I'm just a man

So take me home tonight
Like you know that you should
When you're ready to be bad
Just give it, give it to me good

Me, I'm just a rocker, ain't got much to say
I never did things by the rules
Always did things my way
And that's alright 'cause that's the way I am anyway

My father was a teacher and he taught me how to live
He said, "Son, you gotta be someone"
Not taking more than you give
And that's alright, that's the way I am palio

So take me home tonight
Like you know that you should
When you're ready to be bad
Just give, give it to me good

Give it, give it to me good
Give it, give it to me good
Give it, give it to me good
Give it, give it to me good

Well, come on, come on, come on
Give it, give it to me good

Give it, give it to me good
Give it

Now that we're together

I'm gonna show you a thing or two
Little girl, you got a lots to learn
I'm gonna take you to my school
And make you feel alright 'cause I'm a man, I'm a man

Give it to me good
Give it, give it to me good
Give it, give it to me good
Give it, give it to me good
Give it, give it to me good

Give it
Give it
Give it
Give it
