"Play Rough"

Well, I wake up every morning and I ask myself
What a day like today might bring
Or tomorrow, will I feel the same?
Can I break this chain of sorrow and this life of pain?

Nobody told me life was so unkind
And I'm slowly goin' under
But you've gotta be strong
If you wanna hold on

Then play rough, play rough
'Cause love ain't no game
You stand tough, stand tough
'Cause love ain't no game, no, no, no

Now enough is enough
And I'm growing up fast
[Incomprehensible]
[Incomprehensible] from my past

[Incomprehensible]
Give me all that you got
'Cause I'm movin' like a bullet
Gonna take my best shot

Nobody told me life was so unkind
But I found out on my own
But you've gotta be strong
If you wanna hold on

Then play rough, play rough
'Cause love ain't no game
You gotta stand tough, stand tough
'Cause love ain't no game

Play rough, play rough
'Cause love ain't no game
Well, you gotta stand tough, stand tough
'Cause love ain't no game

Nobody told me life was so unkind
But now I finally know

That you gotta be strong
If you wanna hold on

You play rough, play rough
'Cause love ain't no game
You gotta stand tough, stand tough
'Cause love ain't no game

Oh, play rough, play rough
'Cause love ain't no game
You gotta stand tough, stand tough
'Cause love ain't no game, oh

Love ain't no game
Love ain't no game
Love ain't no game
Love ain't no game
