You were the one
Who always made me feel so special
And the one who never let me go
Till you got your thrill

But now it's changed and it seems
That you're lookin' for love in somebody new
Could it be that all I gave
Wasn't enough for you?

Your love was all that I ever had
But I didn't cry for you, you
You'll never see me cryin'
No, you'll never see me cry

You told me lies
As if I was some kind of fool
That's the way my heart was broke
By the pain you put me through

Your love was all that I ever had
But I didn't cry for you, you
You'll never see me cryin'
No, you'll never see me cryin'
No, you'll never see me cryin'
No, you'll never see me cry

Your love was all that I ever had
But I didn't cry for you

Tears, tears, tears keep falling
Tears, tears, tears keep falling
Falling like rain
Tears, tears, tears keep falling
Tears, tears, tears keep falling
Tears, tears, tears keep falling

I hear the thunder, feel the pain
I may never be the same but you
You'll never see me cryin'
No, you'll never see me cryin'
No, you'll never see me cryin'

No, you?ll never see me cry
No, no, no

You?ll never see me cryin?, no
