Arm in Arm - Fists held high

"set them free" - our battle cry

Take back the streets

And our right to free speech

Locked up and put away

For fear of what they'll say

CHORUS

Crooked cops plus crooked judges, don't equal justice

Free all political prisoners

Racist cops plus racist judges, don't equal justice

Free all political prisoners

Brick by brick - wall by wall

Wont sit back - let our brothers and sisters fall

The unjust justice system

Our voice will overthrow

(CHORUS)

Keep hope alive... KEEP HOPE ALIVE!!!

Brick by brick, wall by wall...

We're gonna free Mumia Abu-Jamal

Brick by brick, wall by wall...

We're gonna free Mumia Abu-Jamal

Brick by brick, wall by wall...

FREE MUMIA ABU-JAMAL!!!

No justice, No peace, No racist police (x4)

FREE ALL POLITICAL PRISONERS (x3)
