Broken bones and broken glass,  
Broken hearts and broken heads.  
Livin' the life.  
Whoa oh oh.

Close my eyes try to make it last.  
Outrun the wretched memories of my past.  
It moves too fast, I got no chance  
A freight train racing set to crash.

Broken bones and broken glass,  
Broken hearts and broken heads.  
Livin' the life.  
Whoa oh oh.  
[x2]

Wake up wondering: "How did I get here?"  
Then cross my heart and say a f\*ckin' prayer.  
Ecstasy, tears, bravery, fears,  
This boat may float, but it don't steer.

Broken bones and broken glass,  
Broken hearts and broken heads.  
Livin' the life.  
Whoa oh oh.  
[x2]

Life's long and winding road's leading us to  
A never ending trail to keep our youth.  
It flashes by in lessons painfully attained.  
Blood and sweat, black and blue,  
Some surrender, I got nothing to surrender to.

Broken bones and broken glass,  
Broken hearts and broken heads.  
Livin' the life.  
So now you're livin'.

Broken bones and broken glass,  
Broken hearts and broken heads.  
Livin' the life.

Whoa oh oh.

[x2]

Close my eyes try to make it last,  
Outrun the wretched memories of my past.
