Our thoughts and our lives Controlled by pocket books. Of rich politicians. Like a rich Daddy Warbux, They pay for the deaths of those who speak of revolution, While they keep us at each other's throats, While we still pay their tax notes.

...HEY! HEY!....HEY! HEY!...HEY! HEY!...

Chorus: Revolting against the few - THE FEW! The rich, bigoted the few - THE FEW! They pay for the deaths of those - THE FEW! So we're revolting against the few.

Our thoughts and our lives Controlled by pocket books Of rich politicians. Like a rich Daddy Warbux, They pay for the deaths of those who speak of revolution, While they keep us at each other's throats, While we still pay their tax notes.

...HEY! HEY!...HEY! HEY!...HEY! HEY!...

(Chorus repeat)

Stand up! Don't fall! We don't live! We don't die for them...

Revolting, Revolting, Revolting, Revolting, Revolting, Revolting, Revolting, Revolting!

(Chorus repeat)

Revolting against the few - REVOLT! Revolting against the few - REVOLT! Revolting against the few - REVOLT! Revolting against the FEW!...
