

## Anti Flag "Daddy Warbux"

Visit "[Daddy Warbux](#)" on MotoLyrics.com

Our thoughts and our lives  
Controlled by pocket books  
Of those politicians  
Like a rich Daddy Warbux

They pay for the deaths of those  
Who speak of a revolution  
They keep us at each other's throats  
While we still pay their tax notes

Revolting against the few  
The rich, the bigoted few  
They pay for the deaths of those  
So we're revolting against the few

Our thoughts and our lives  
Controlled by pocket books  
Of those politicians  
Like a rich Daddy Warbux

They pay for the deaths of those  
Who speak of a revolution  
They keep us at each other's throats  
While we still pay their tax notes

Revolting against the few  
The rich, the bigoted few  
They pay for the deaths of those  
So we're revolting against the few

Stand up, don't fall  
But don't live but don't die for them

Revolting, revolting, revolting  
Revolting, revolting, revolting  
Revolting, revolting, revolting

Revolting against the few  
The rich, the bigoted few  
They pay for the deaths of those  
So we're revolting against the few

Revolting against the few  
Revolting against the few  
Revolting against the few  
Revolting against the few
