Gulp, gulp, gulp  
I want to drink more beer  
Until I puke  
Drink Drank Punk  
I'm so cool  
I can drink so much  
I can drink more than you  
Drink Drank Punk  
Met a girl at the bar oh  
She was a 10 at 2:00  
I gave her four stars oh  
I took her home  
she spent the night oh  
At 10:00 AM she was a FRIGHT

Some old guy bought me some alcohol  
We got druck at the mall  
Drink Drank Punk  
Mom's gonna get us at the mall oh  
In a druken stupor hope I don't fall oh  
I chew on a big wad of gum oh  
Mom won't notice, she's old and DUMB  
Drink Drank Punk
