Brainwashing
Piece of Rag
Take it off mast, and stick it up your ass
Now it's time to slaughter
In its fucking honor

What a bunch of fucking shit!

Fuck the flag and fuck you!
Fuck the flag and fuck you!
Fuck the flag and fuck you!
Fuck the flag, the fucking flag, fuck the flag!

Fuck the flag and fuck you!

Heres a flag
Take this match
Burn, that, fucker!

Fuck the flag and fuck you!
Fuck the flag and fuck you!
Fuck the flag and fuck you!
FUCK THE FLAG AND FUCK YOU
YOU FUCKING ASS HOLE!
