

Anti Flag "Kill The Rich"

Visit "[Kill The Rich](#)" on MotoLyrics.com

A billionaire chatting with his friends
They've gotta stop and laugh
"We've really got those suckers fooled,
We've gotta 'em trained like rats!"
The riches plot, control your thoughts, to make you
blame yourself
"The rich are rich because they're smarter than me.."
You're taught this is right, that it's your fault
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
They throw a war like a party saying,
"It's for a moral cause.."
Telling you if you're a patriot that
"YOU BETTER DO WHAT YOU'RE TOLD!"
You burn a flag, you're gonna hang,
Brainwashed nationalism makes you a tool
They're getting rich by selling weapons to both
countries,
You never think to question what you're told!

KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
They're gonna give you nothing
They want to take way the little they call something
You know you're being used still you play along
If you're not complacent,
You're doing something wrong
One day they'll push to far
That marks the beginning of their end
We'll being them crashing down until they're all dead
They're all dead, they're all dead!
The time is growing near..
Put the trigger to the man...
Ok, let's go, kill 'em!
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
KILL, KILL, KILL!!!

KILL, KILL, KILL!!!
KILL, KILL, KILL!!!
