Arm in Arm - Fists held high
"set them free" - our battle cry
Take back the streets
And our right to free speech
Locked up and put away
For fear of what they'll say

CHORUS

Crooked cops plus crooked judges, don't equal justice
Free all political prisoners
Racist cops plus racist judges, don't equal justice
Free all political prisoners

Brick by brick - wall by wall
Wont sit back - let our brothers and sisters fall
The unjust justice system
Our voice will overthrow

(CHORUS)

BRIDGE

Keep hope alive... KEEP HOPE ALIVE!!!

Brick by brick, wall by wall...
We're gonna free Mumia Abu-Jamal
Brick by brick, wall by wall...
We're gonna free Mumia Abu-Jamal
Brick by brick, wall by wall...
FREE MUMIA ABU-JAMAL!!!

No justice, No peace, No racist police (x4)
FREE ALL POLITICAL PRISONERS (x3)
