Arm in arm, fists held high, "set free", our battle cry
Take back the streets and our right to free speech
Locked up and put away for fear of what they'll say

Crooked cops plus crooked judges, don't equal justice
Free all political prisoners
Racist cops plus racist judges, don't equal justice
Free all political prisoners

Brick by brick, wall by wall
Won't sit back, let our brothers and sisters fall
The unjust justice system
Our voice will overthrow

Crooked cops plus crooked judges, don't equal justice
Free all political prisoners
Racist cops plus racist judges, don't equal justice
Free all political prisoners

Leonard Pelter, Father Roy Bourgeois
The Angola 3, The Move 9
Ken Sara Wiwa, Lori Bernson
Like Nelson Mandela
Keep hope alive, keep hope alive

Brick by brick, wall by wall
We're gonna free Mumia Abu-Jamal
Brick by brick, wall by wall
We're gonna free Mumia Abu-Jamal
Brick by brick, wall by wall
We're gonna free Mumia Abu-Jamal

No justice, no peace, no racist police
No justice, no peace, no racist police
No justice, no peace, no racist police
No justice, no peace, alright

Free all political prisoners
Free all political prisoners
Free all political prisoners
Bastards
