the only people that i bow down to are my family it kind  
of sucks that my loved ones don't let me do what I want  
to do grandma always says to me "it's just a phase"  
well wake up grandma It's my life and i'm not gonna  
change i'm not gonna i'm not gonna i'm not gonna not  
gonna change alright we fight but I'm not gonna  
change no "your fucked up hair your fucked up clothes  
why don't you look normal?" why don't you judge me  
for who i am, who i am people mock me on the street  
ignorant and sheltered i'd like to think you're not the  
same you're not the same i'm not gonna i'm not gonna  
i'm not gonna not gonna change
