They're sleeping between satin sheets
While huddled masses sleep in streets,
Tucked in at night they lay and dream
Of corporate state theocracy.

Two steps ahead, three goose steps back,
While the sheep sleep, the wolf attacks.

Nothing recedes.
Nothing recedes like progress.
Nothing recedes.
Nothing recedes like progress.
Evil doesn't stop to breathe, bleed till nothing's left to
bleed.

You're contemplating middle ground
While empire heads release the hounds,
You're dealing with a sick machine,
Where there's no heart, there's no heartbeat.

Two steps ahead, three goose steps back,
The masses sleep while their spines cracks.

Nothing recedes.
Nothing recedes like progress.
Nothing recedes.
Nothing recedes like progress.
Evil doesn't stop to breathe, bleed till nothing's left to
bleed.

This is class war.
What are you waiting for?
For them to buy and sell your soul?
This is class war.
What are you waiting for?
For them to buy and sell your soul?
They already did.

No rest for the wicked
No rest, no rest, for the wicked never sleep.
No rest, no rest, for the wicked never

No rest, no rest, for the wicked never sleep.
No rest, no rest, for the wicked never sleep.
For the wicked never sleep.
