This is a tale of liberation
This dedication song
Broadcast it from all stations

This tribute, this salute, cold hard facts one can't refute
No 1 liberators in the world kill better than ice is cold!

To save you we may have to kill you
For freedom you may have to die
No 1 at liberation
Liberating life from bodies
Helping spirits fly
Freedom from life

This is a tale of liberation
This dedication song
Broadcast it from all stations

This tribute, this salute, cold hard facts one can't refute
No 1 liberators in the world kill better than ice is cold!

To save you we may have to kill you
For freedom you may have to die
No 1 at liberation
Liberating life from bodies
Helping spirits fly

The government lies, the masses die
The military lies and we all die
Broadcast it from all stations this is our liberation song
