

## Anti Flag "Rotten Future"

Visit "[Rotten Future](#)" on MotoLyrics.com

All you punkers with your  
No Future dreams  
Follow Johnny Rotten  
and all our preset beliefs  
Following society  
be what they want you to be  
Drunk and Quiet  
"there's no future for me."  
IMPATIENCE with society  
BE WHAT they want you to be  
IMPATIENCE "there's no future here"  
"I'm not lazy I just don't care"  
Of course there is no future  
when you make sure there is none  
Impatience "time is wasting,  
there is No Future to be won"  
If you truly don't care,  
then why talk No Future  
Excuses hang like nooses  
"I've given up I just don't care"

IMPATIENCE with society  
BE WHAT they want you to be  
IMPATIENCE "there's no future here"  
"I'm not lazy I just don't care"  
Of course you'll bring no change  
when you sit home on your couch  
We need to stand up and fight  
bring our future to a start  
We can change anything just as  
long as we take the time  
Generations, generations, generations...  
they're not the same  
IMPATIENCE with society  
BE WHAT they want you to be  
IMPATIENCE "there's no future here"  
"I'm not lazy I just don't care"
